

ADVANCED MAYA DAY

10h))) breathing the 4 elements and prayer to the 7 Galactic directions.
This is a breathing exercise given by the Sufi's, combined with Maya Prayer, which we will observe more profound.
General overview of the 13 moon and 'T Zolkin calendars and their prophecies.
(includes over going of all the details of the solar seals and the tones)

12h30))) Podluck (everybody brings his own bio-creative-food and shares)

13h30))) The 5 elements of the Mind (the structure of the Mind, taught by the Sufi's).

How to read an oracle professionally (some techniques on using telempathy combined with oracle reading)

How to read a life-path professionally (How to get a snap shot on the past - present and future / where is the cycle on self-knowledge)

How to calculate ascendant, group energies, etc. (goodies)

How to compare 2 kins

How to give a private consult (2 parts - 11 steps)

Extra: Maya math (how to calculate on a 13:20 digit based system).

There will be coffee and tea breaks when we feel like it.

There will be body moving exercises in the afternoon.

We will end somewhere in the evening.

To bring: all your Maya materials (calendars, papers,.....), pen, paper, good mood and yourself.

Cost: 52 euro.
